

We are very excited to share our very first newsletter with you. The newsletter will be published quarterly and will provide you with an update on any upcoming events as well as details to register your interest to support these.

We will also share news and updates of the going's on at the Ecology Centre.

Summer Garden Party

We held our annual summer garden party in June, we were lucky with the weather and the day was enjoyed by many in the community. A special thanks to those that came to support us. The event raised £851.

Dates for your Diary

We are pleased to share our remaining 2023 and 2024 calendar of events with you and so please add to your diary.

Winter Wonderland Trail
Saturday 2nd December

Annual General Meeting
